Patents

Patents 1 - 10 on encryption key derived from serial number. (0.26 seconds)

Method and apparatus for initialization of cryptographic terminal

US Pat. 5745576 - Filed May 17, 1996 - Visa International Service Association

This **encryption key** is applied to the **serial number** of the terminal at step ...
a transaction **key derived** from the initial **key** and the transaction count. ...

System and method for backing-up data stored on a portable audio player

US Pat. 6577735 - Filed Jun 8, 1999 - Hewlett-Packard Development Company, L.P.

... BI encrypted with the **encryption key derived** from the audio CD data. ...
6, 7 and 8, a unique **serial number** 610 is embedded in each portable audio ...

Secure computer communication method and system

US Pat. 5638444 - Filed Jun 2, 1995 - Software Security, Inc.

The user's special **encryption key** EK. The **encryption key** is **derived** by software
... The first **serial number** is the **serial number** of the system. the EK The ...

Method and apparatus for enabling trial period use of software products: method and apparatus for utilizing a decryption stub

US Pat. 5737416 - Filed Aug 2, 1996 - International Business Machines Corporation

Machine identification 357 is supplied **number**, the real **encryption key** for ...
includes: the hard disk **serial number**, the **key** is a good product **key** and can ...

Method and apparatus for enabling trial period use of software products: method and apparatus for generating a machine-dependent identification

US Pat. 5757907 - Filed Apr 25, 1994 - International Business Machines Corporation

Machine identification is supplied **number**, the real **encryption key** for the ...
includes: the hard disk **serial number**, the **key** is a good product **key** and can ...

Method and system for network security capable of doing stronger encryption with authorized devices

US Pat. 6965992 - Filed Feb 24, 2000 - 3Com Corporation

2A, the first **encryption key** 20 comprises a first base **key** 20a and a first **key**
... such as a software **serial number**, for the second network device 14. ...

Cryptographic key management apparatus and method

US Pat. 5341426 - Filed Dec 15, 1992 - Motorola, Inc.

... a security activation **key serial number**, a terminal **serial number** for the
first terminal, a public **key** expiration date and a first public **key encryption** ...

Method and apparatus for enabling trial period use of software products: Method and apparatus for utilizing a decryption block

US Pat. 5598470 - Filed Apr 25, 1994 - International Business Machines Corporation

Key 401 is **derived** from unique system attributes 403, such as those system
attributes utilized in deriving the machine; identification **number**. **Encryption** ...

Method and apparatus for enabling trial period use of software products: method and apparatus for passing

encrypted files between data processing systems

US Pat. 5563946 - Filed Apr 25, 1994 - International Business Machines Corporation

Key 401 is **derived** from unique system attributes 403, such as those system attributes utilized in deriving the machine identification **number**. **Encryption** ...

Virtual matrix **encryption** (VME) and virtual **key** cryptographic method and apparatus

US Pat. 6219421 - Filed Oct 24, 1997 - Shaul O. Backal

15 series of unencrypted data values, the method comprising common **key** generating ... of **serial** deriving from the data limit a **derived key**; and **number**. ...

Gooooooooooogle ►

Result Page: 1 2 3 4 5 6 7 8 9 10 **Next**

encryption key derived from serial number
